

Geneseo High School
Auction Donation Request

Addi's Faith Foundation is a 501(c)3 non-profit organization dedicated to ending childhood cancer. AFF funds pediatric brain tumor research at MD Anderson Cancer Center, award grants for patients with pediatric cancer, scholarships for survivors of pediatric brain cancer and more. With less than 4% of federal funding going to children's cancer research, our support is vital to ensuring that progress continues to be made.

AFF also provides emotional & financial support to families that are struggling with the additional costs that arise when caring for a child with cancer.

Addi's Faith Foundation will be the benefactor for the charity softball game on April 23rd vs Alleman High School at J.F. Edward's field. Geneseo, Illinois .

We will be holding many events to help us maximize our fundraising efforts and we would love to have you as one of our *auction donors!* This is a great way to promote your business, show the community how much you care, and join in a very important fight! It's a win-win situation!
